VICTIM'S RIGHTS AWARENESS WEEK

Since 1981, National Crime Victims' Rights Week (NCVRW) has challenged the Nation to confront and remove barriers to achieving justice for all victims of crime. During NCVRW, we celebrate the accomplishments of the victims' rights movement and reflect on how far we have come. This year NCVRW will be observed April 24–30. The 2022 NCVRW theme is Rights, access, equity, for all victims.

RESOURCE FAIR

In keeping with the theme of NCVRW, The District Attorney's Office and Victim Services is conducting a Community Resource fair hosted by the Family Justice Center. The Resource fair features a wide variety of community partners and services the common goal of NCVRW to expand access to services, and ensure equity and inclusion for all.
